

Department of General Services Supports State's FI\$Cal Transformation

FI\$Cal (Financial Information System for California) is a business transformation project for state government in the areas of budgeting, accounting, and procurement. The project will prepare the state systems and workforce to function in an integrated financial management system environment. DGS is a FI\$Cal partner along with the Department of Finance, the State Controller's Office, and the State Treasurer's Office.

The Department of General Services acts as the business manager for the State of California. DGS helps state government better serve the public by providing services to state agencies including procurement and acquisition solutions, real estate management, leasing and design services, environmentally friendly transportation, and architectural oversight and funding for the construction of safe schools.
